

F. 558 – Handicap Elevator Removal and ADA Ramp Construction

- The current handicap elevator is in disrepair, is in a flood prone area, and has size limitations.
- The metal elevator and associated railings and concrete slab will be removed.
- An ADA Ramp will be constructed on the rear of the building to better accommodate the disabled.
- Questions or comments should be directed to 633CES.CEIE.NEPAPublicComment@us.af.mil.
