Joint Base Langley-Eustis VA 23665-2522

**MEMORANDUM FOR ALL JBLE PERSONNEL AND RESIDENTS, REGARDLESS OF  
SERVICE COMPONENT**

**SUBJECT: COVID-19 Pandemic – Fourth Renewal of Restriction of Movement and Restriction  
of Base Access Orders**

1. On 1 July 2020, I renewed my Joint Base Langley-Eustis (JBLE) Restriction of Movement and Restriction of Base Access Orders in response to the concerning uptick in COVID-19 cases within the JBLE community. The threat of COVID-19 still persists. To best protect our community and maintain our combat readiness, we must stay the course with our measured approach to fight COVID-19. My Public Health Emergency Team will continue to evaluate measures on a weekly basis.

2. Effective **31 July 2020**, I renew the JBLE Restriction of Movement and Restriction of Base Access Renewal Orders with the following authorizations:

**a. Restriction of Movement.**

(1) **On-base Gatherings.** All unit-sponsored in-person gatherings are limited to no more than **50 persons**, as long as they comply with required social distancing protocols and wear of cloth face coverings. This includes, but is not limited to, all non-mission essential gatherings held on JBLE, to include changes of command, retirements, unit social activities, and other ceremonial or morale-focused events.

(a) JBLE housing residents, to include dormitory or barracks residents, and off-base Bethel Manor family housing residents are prohibited from attending private in-person gatherings of **more than 10 persons** in JBLE housing. Social distancing and cloth face coverings in JBLE public areas are still required IAW my previous PHE orders, and I strongly encourage wear of cloth face coverings at all times on or off the installation when social distancing cannot be maintained.

(2) **Off-base Gatherings.** All Active Duty personnel must comply with state, local, and DoD directives while off-base, to include wear of cloth face coverings when required. Civilian employees, contractors, family members, and military dependents residing or traveling off-base are encouraged to adhere to guidelines issued by state, local, and DoD authorities, to include wear of cloth face coverings when required.

(a) All JBLE Active Duty personnel are prohibited from hosting or attending social gatherings of **more than 10 persons** in their off-base private residence or the off-base private

residence of another person. Civilian employees, contractors, family members, and military dependents are encouraged to adhere to this limitation as well.

**b. Restriction of Base Access.** DoD ID Card holders, to include Retirees and Veteran Health Identification Card (VHIC) holders, will continue to have access to the installation on Mondays, Tuesdays, and Fridays. Mission critical personnel will have daily access to the installation, along with the categories of personnel articulated in my previous JBLE PHE orders.

3. Unless terminated or renewed by me sooner, this renewal automatically will terminate 60 days from the effective date.

4. To the extent this directive is inconsistent with other JBLE PHE orders, the information herein prevails. All JBLE PHE orders remain in effect. This renewal does not limit local commanders from issuing more restrictive measures to promote good order and discipline, mission accomplishment, and/or to promote the overall health and safety of their units.

5. Be encouraged – we each have a part in helping to change the course of COVID-19. Applicable public health guidance such as social distancing protocols, proper hygiene, and use of cloth face coverings must be consistently, and seriously, practiced. I know these unprecedented times have caused unexpected sacrifices and changes. Only together can we stop the increase in COVID-19 cases, mitigate the spread, and protect JBLE's missions.

CLINTON A. ROSS, Colonel, USAF  
Commander
