MEMORANDUM FOR ALL JBLE PERSONNEL AND RESIDENTS, REGARDLESS OF SERVICE COMPONENT

SUBJECT: COVID-19 Pandemic – Amendment to Restriction of Movement and Restriction of Base Access Renewal Orders

1. On 12 June 2020, I renewed the Joint Base Langley-Eustis (JBLE) Restriction of Movement and Restriction of Base Access Orders. These restrictions and guidance were implemented for all JBLE personnel IAW my Public Health Emergency (PHE) authorities to help slow and stop the spread of COVID-19. Upon review of the Joint Base Langley-Eustis mass COVID-19 testing results, I am cautiously optimistic with our success and am taking a measured approach in easing restrictions.

2. Effective **19 June 2020**, I amend the JBLE Restriction of Movement and Restriction of Base Access Renewal Orders issued on 12 June 2020, with the following updated authorizations:

a. Restriction of Movement.

i. **On-base Gatherings.** All public or private in-person gatherings are limited to no more than **50 persons**, as long as they comply with required social distancing protocols and wear of cloth face coverings. This includes, but is not limited to, all non-mission essential gatherings held on JBLE, to include changes of command, retirements, unit social activities, and other ceremonial or morale-focused events.

ii. **Off-base Gatherings.** The Commonwealth of Virginia has prohibited all public and private in-person gatherings of more than 50 persons. All Active Duty personnel must comply with state, local, and DoD directives while off-base, to include wear of cloth face coverings when required. Civilian employees, contractors, family members, and military dependents residing or traveling off-base are encouraged to adhere to guidelines issued by state, local, and DoD authorities, to include wear of cloth face coverings when required.

b. Restriction of Base Access. DoD ID Card holders, to include Retirees and Veteran Health Identification Card (VHIC) holders, will continue to have access to the installation on Mondays, Tuesdays, and Fridays. Mission critical personnel will have daily access to the installation, along with the categories of personnel articulated in my previous JBLE PHE orders.

3. Unless terminated or renewed by me sooner, this amendment will terminate on **30 June 2020**.

4. This amendment applies to the 12 June 2020 Renewal of Restriction of Movement and Restriction of Base Access Orders, and implements changes as outlined above in paragraphs 2 and 3. To the extent this directive is inconsistent with other JBLE PHE orders, the information herein prevails. All JBLE PHE orders remain in effect. This amendment does not limit local commanders from issuing

more restrictive measures to promote good order and discipline, mission accomplishment, and/or to promote the overall health and safety of their units.

5. JBLE continues to take measured, positive steps to limit the impact of COVID-19 in our community. By following applicable public health guidance such as social distancing protocols, proper hygiene, and use of cloth face coverings, together we can continue our positive momentum to mitigate the spread of COVID-19 and protect JBLE's missions.

CLINTON A. ROSS, Colonel, USAF
Commander
