"A popular employee died suddenly on the job. My section was devastated. I contacted FOH's EAP and they sent a counselor to meet with our group. The counselor was great. He helped our people really deal with this loss. I don't know what we would have done if he were not there. I highly recommend this service."

Financial and Legal Services

FOH's EAP includes free consultation with financial experts and licensed attorneys to provide assistance with your legal and financial questions. Health and Wellness Presentations and EAP Orientations

Health and wellness presentations and EAP orientations support both supervisors and employees. Health and wellness presentations include such topics as civility, change and transition, balancing work and life, time and stress management, and more.

Supervisor and Risk Management Consultation

Crisis Response

Exposure to threats, acts of violence, natural disasters, injury, or death calls for immediate response. EAP's National Crisis Response Team offers management consultations, psychological first aid, group and individual services, and follow-up with the organization once direct services are concluded.
