MEMORANDUM FOR ALL JOINT BASE LANGLEY-EUSTIS PERSONNEL

FROM: 633 ABW/CC

SUBJECT: Environmental Commitment Statement

1. Joint Base Langley-Eustis (JBLE) conducts daily operations in the air, on land and on coastal waterways. Therefore, protecting our natural environment is an integral and mandatory function for sustained operational effectiveness. Our environmental concerns include maintaining air quality, protecting Virginia’s valuable water and other natural resources, minimizing the generation of waste, recycling when applicable and disposing of all waste in a responsible manner.

2. In accordance with Department of the Air Force Instruction (DAFI) 32-7001, *Environmental Management*, we are committed to sustaining JBLE through a C.L.E.A.N. approach:

Comply We will comply with all environmental regulations and requirements while reducing compliance costs and liabilities.

Limit impact..... We will prevent pollution and minimize waste while cleaning up past sites of environmental concern and making efforts to achieve Chesapeake Bay conservation.

Execute plans We will identify and attain energy, environment, safety and occupational health objectives and targets through planning that is Specific, Measurable, Achievable, Realistic and Timely (SMART).

Achieve improvements... We will continuously improve using effective management and planning.

Notify We will communicate our environmental commitments and performance to all levels of our organization and local community.

3. JBLE personnel are individually and collectively responsible for performing their duties in a manner that prevents pollution, protects the environment and conserves natural resources. Please address questions or concerns to JBLE-Langley at 764-3906 or JBLE-Eustis at 878-7378.
