MEMORANDUM FOR ALL JBLE-E Units

FROM: 733 MSG/ HAZMART  
1205 Taylor Ave.  
JBLE- Eustis, VA 23604

SUBJECT: HAZMART Free Issue ALL JBLE-E

1. Per AFMAN 32-7002 and Installations EMP 4.4.6.6 Installations are mandated to reduce the amount of hazardous waste produced and minimize material usage. JBLE-Eustis's Hazardous Material Pharmacy (HAZMART) has been delegated the authority to manage excess hazardous materials turned in by units and stored in the HAZMAT Pharmacy warehouse. These items are new product that have been unopened and are serviceable. These items are to be issued to units at no cost.
2. To request items located in Free Issue, first units must verify that the item is already authorized in their unit's Enterprise Environmental, Safety, Occupational Health, Management Information System (EESOH-MIS) account Authorized Unit List (AUL) by Material Stock Number (MSN). If material is not authorized, item can be added to the AUL by the Units Hazardous Material Manager or approved EESOH-MIS user. Authorized materials are to be requested by Email, subject line labeled Free Issue. Email body include Unit's EESOH-MIS account (example JBFE2119), MSN, Materials Trade name and quantity.
3. Email requests or questions are to be sent to [tana.mcdowell.ctr@us.af.mil](mailto:tana.mcdowell.ctr@us.af.mil) or Scott Moler [scott.moler.1.ctr@us.af.mil](mailto:scott.moler.1.ctr@us.af.mil).
