

Tour of Civil War Fortifications on Fort Eustis Saturday 6 October 2018

Fort Eustis

Tour: The Fort Eustis Archaeology Program will conduct a tour of the installation's Civil War fortifications. These earthen fortifications were constructed in 1861-1862 as part of Confederate General John B. Magruder's defense of the Peninsula. These are some of the best preserved earthen field fortifications in eastern Virginia. Join us as we examine these exceptionally well preserved Civil War sites. Tour will start in the 18th century Matthew Jones House @ 10:00

Tour Limited to 30 people! Contact Dr. McDaid to make a reservation by 28 September
