

Type of Waste	Waste Materials to be Disposed and or Recycled	Destination Facility	Special Instructions or Handling
HW	Absorbents contaminated with gasoline or solvents	HWAF	
NHW	Absorbents contaminated with petroleum products	HWAF	
HW	Adhesives	HWAF	
RM	Aerosol Cans	HWAF	Turned-in within 30 days or number exceeds 25 cans
RM	Aluminum Cans	Recycling Totes	
RM	Aluminum Foil	Recycling Totes	Clean
RM	Antifreeze	HWAF	Collected in Plastic Containers issued by the HWAF
RMW	Anything contaminated with body fluids, such as blood	MEDDAC	
SSW	Appliances, Metal	SWRC	All Freon or refrigerants must be recovered prior to recycling. Personnel must bring documentation of proper recovery by certified technician.
SSW	Asbestos Containing Materials	HWAF	Normally removed by specially licensed personnel
SW	Ashes	Dumpster	Must be out and bagged
SW	Asphalt Impregnated Paper	SWRC	
RM	Batteries - Government-Owned Lead Acid Automotive	SWRC	Broken managed as HW or UW
UW	Batteries - Lead Acid, Broken or not Accepted at SWRC	HWAF	Terminals must be protected
RM	Batteries - Non-Government-Owned Lead Acid Automotive	SWRC	Broken managed as HW or UW
RM	Batteries Dry Cell, Alkaline, Non Rechargeable	SWRC	Terminals must be protected
UW	Batteries Rechargeable - Nickel Cadmium, Metal Hydride, Lithium, etc	HWAF	Terminals must be protected
UW	Batteries - UW - Non-Rechargeable or not Accepted at SWRC	HWAF	Terminals must be protected
SSW	Biomass (includes yard clippings, leaves, twigs, pet wastes)	SWRC	Bags must be emptied at SWRC; empty bags will be collected by SWRC.
HW	Blast Grit	HWAF	
SW	Brown, Green, Clear, and Blue Glass	Recycling Totes	
SW	Burnable, non-recyclable items under 3' x 3'	SWRC	
RM	Cardboard & cardboard boxes	Cardboard Containers	Flatten, inserts and all other materials removed
SW	Cellophane	Dumpster	
SW	Cigarette or cigar butts	Dumpster	Must be out and bagged
SSW	Cinderblocks	SWRC	Metal must be removed
SW	Coffee Grounds	Dumpster	Must be bagged
RM	Colored Paper - Generally any paper with a glossy or shiny finish regardless of color	Recycling Totes	Recyclable-authorized to be picked up by SWRC

SSW	Compressed Gas Cylinders, Non-refillable Empty	SWRC	Value removed, 2nd hole drilled in lower end of cylinder
RM	Compressed Gas Cylinders, Refillable	HazMart	
RM	Computer Paper	Recycling Totes	Recyclables-authorized to be picked up by SWRC
SSW	Computer Software	SWRC	CD/DVD or Disks must be removed
SSW	Concertina Wire	SWRC	Must be cut into 3" lengths and placed in a 5 GL bucket
SSW	Concrete	SWRC	Metal must be removed
SW	Construction Debris	SWRC	Must be source separated
SW	Containers contaminated with food	Dumpster	
SSW	Containers OSHA/DOT Empty - Drums, buckets, etc, Metal or Plastic	SWRC	
RM	Copier Paper	Recycling Totes	
SSW	Creosote poles (clear w/environmental before bringing to center)	SWRC	Not recyclable
SSW	Dead Animals (Wild)	CEIE	Must contact CEIE
HW	Dry sweep contaminated with gasoline	HWAF	
SSW	DVDs & CDs	SWRC	Must be removed from inserts and cases
SSW	Explosives, gun powder, flares, ammunition	ASP	Ammunition Supply Point (ASP)
SW	Family Housing Household Solid Wastes (Trash, Chemicals, etc)	Housing Office	Do Not put in Dumpsters - This is considered misappropriation of Government funds
RM	Fiber board boxes - Cereal types	Recycling Totes	Flatten
HW	Filters contaminated with Gasoline	HWAF	
NHW	Filters contaminated with POL - No Gasoline	HWAF	
HW	Filters contaminated with solvents	HWAF	
RM	Filters Large Air Types	SWRC	
SSW	Fire Alarms	SWRC	Circuit Boards removed from plastic or metal shielding
SSW	Fire Extinguishers (FE)	Ability One -BSC or HWAF	Expired/used extinguishers (Types ABC) can be turned in to the VIB Supply Store, Bldg. 1607 Patch Road, for a one-for-one exchange at a set replacement fee, no matter the size. All others will be taken to the HWAF for disposal.
UW	Fluorescent Light Bulbs	HWAF	
SSW	Fluorescent light fixture ballasts	SWRC	Wiring removed
SW	Fluorescent light fixtures	SWRC	Ballasts, bulbs, metal and plastics must be removed
SSW	Furniture	IPBO, B1608	All furniture disposition must be approved by the Installation Property Book Office (IPBO), B1608 (878-3381/4115). Any materials approved for disposition at the SWRC must have the wood, metal, plastic, and cloth parts separated before turn-in.
HW	Gasoline or its mixtures	HWAF	

SSW	Hard Drives from Computers (remove brackets and screws)	SWRC	Special Handling
HW	Hazardous Waste (All)	HWAF	
HW	Herbicides	HWAF	
SW	Large limbs and bushes (Over 3' long X ½" diameter)	SWRC	
HW	Lead-based paint	HWAF	
HW	Liquids (any) in Containers	HWAF	
RM	Magazines	Recycling Totes	Recyclables authorized to be picked up by SWRC
SSW	Magnetic Disk, tapes, etc	SWRC	Must be removed from inserts and cases
RM	Manila/File Folders	Recycling Totes	
RM	Manuals Colored Paper	Recycling Totes	Small quantities
SSW	Mattresses	SWRC	Must be removed from inserts and cases
RMW	Medical Waste (any)	MEDDAC	
HW	Mercury, liquid or contaminated materials	HWAF	
RM	Metal Binders and Metal Rings in Plastic Binders	SWRC	Plastic separated from metal
RM	Metal Items, Large	SWRC	Wood or other material must be removed
SW	MREs	SWRC	Must separate Heaters prior to turn-in. Cardboard must be separated from the food packages
HW	MRE Heaters (Unused)	HWAF	Must be removed from the MRE
RM	NBC Clothing & Masks	LRD Supply	Bldg 1610
HW	NBC Kits	HWAF	
HW	NBC Protective Mask Filters	HWAF	
RM	Newspapers	Recycling Totes	Recyclables authorized to be picked up by SWRC
NHW	Non Hazardous Waste (All)	HWAF	
RM	Note book paper	Recycling Totes	Recyclables authorized to be picked up by SWRC
HW	OBA (Oxygen Generating Canister)	HWAF	
SW	Off Post Household Solid Wastes (Trash, Chemicals, etc)	County or City of Origin	Do not bring on Post & Do Not put in Dumpsters - This is considered misappropriation of Government funds
HW	Paint and Paint Related (Oil-Based, Lead or CARC)	HWAF	
HW	Paint thinners & solvents	HWAF	
SW	Pallets (one or more boards broken)	SWRC	
RM	Pallets (Serviceable, but no longer needed)	SWRC	
HW	Pesticides	HWAF	
HW	Petroleum, Oil and Lubricants	HWAF	
Pharm	Pharmaceuticals	MEDDAC	
SW	Plastic Coated Paper	Dumpster	
RM	Plastic Film, Wrap, Bags	SWRC or dumpster	Separate from comingled items. Must be turned in by unit/activity to SWRC. Large air pillows (greater than 4 in. x 6 in.) must be popped. Dry and free of food debris.

RM	Plastics, all except plastic coated paper and plastic film/wrap/bags/bubble wrap	Recycling Totes	Must be empty and tops removed
HW	Rodenticides	HWAF	
SW	Scrap Metal	SWRC	Not larger than 8' by 8' or must be cut to size
RMW	Sharps (Needles)	MEDDAC	
SSW	Smoke Alarms	SWRC	Circuit Boards removed from plastic or metal shielding
SSW	Smoke Detectors	SWRC	Circuit Boards removed from plastic or metal shielding
HW	Solvents with low flash points	HWAF	
SW	Styrofoam	Dumpster	
SW	Styrofoam peanuts	Dumpster	Must be bagged
RM	Telephone Books	Recycling Totes	Recyclables-authorized to be picked up by SWRC
RM	Tin/bi-metal cans (rinsed)	Recycling Totes	Less than 1 gallon food type containers
RM	Tin/Steel Cans	SWRC	1 gallon or larger
SSW	Tires	SWRC	Large Tires must go to DOL
RM	Toners, Ink Jet Cartages	SWRC	
SSW	Tritium Emergency Exit Indicators	Post Safety	Must Coordinated with Post Safety
UW	Universal Wastes except Lamps	HWAF	
RM	Used Oil	HWAF	Your Activity may have a Used Oil AST.
SSW	Utility Poles	SWRC	Cut to 8' Length
SW	Wax or plastic coated paper	Dumpster	
SW	Waxed Paper	Dumpster	
HW	Weapons Cleaning Rags, etc	HWAF	
RM	White Ledger Paper Notepaper	Recycling Totes	Recyclables authorized to be picked up by SWRC
RM	White Paper	Recycling Totes	Recyclables authorized to be picked up by SWRC
SW	Wood, over 3" by 3'	SWRC	

Legend

HW	Hazardous Waste
NHW	Non-Hazardous Waste
Pharm	Pharmaceuticals
RM	Recyclable Materials
RMW	Regulated Medical Wastes
SSW	Special Solid Waste
SW	Solid Waste
UW	Universal Wastes
CEIE	Environmental Element
HazMart	HazMart - B1205, Hrs 0730 - 1600 M-F (878-2781)
HWAF	Hazardous Waste Accumulation Facility
SWRC	Solid Waste Recycling Center
