

2018 Late Urban Archery Deer Season

The Fort Eustis Late Urban Archery Deer season is managed and administered by Natural Resources staff of the 733 Civil Engineer Division. This is a deer management hunt program implemented under restricted conditions, and will run 29 January 2018 through 24 March 2018.

Participants must have purchased a 2017 Fort Eustis Hunting Permit prior to 6 January 2018, and passed the Fort Eustis Recreational Hunting Program Archery Qualification within 2 years, or pass a qualification test administered by the 733 CED Natural Resource Staff. Participants must also purchase a 2018 Late Urban Archery Deer Hunting Permit at a cost of \$20, and may do so the day of any hunt. (Checks or Money Order Only)

The Late Urban Archery Deer Season is operated from bldg. 1409. Only archery tackle/equipment is authorized for this restricted hunt. Hunting will occur a minimum of 2 days per work week and two Saturdays per month, afternoons only. Sign-in will be from 1200 – 1600 hrs. Only antlerless deer may be taken during this Late Urban Archery Deer Season.
