

Staff Sergeant Sidnea Bailey

Aircrew Flight Equipment

Staff Sergeant Sidnea Bailey is the Aircrew Flight Equipment Technician for the F-22 Demonstration Team and a member of the 1st Operations Support Squadron. As an Aircrew Flight Equipment Technician, she is responsible for ensuring all flight and safety equipment is in perfect working order for all F-22 and T-38 pilots at Joint Base Langley-Eustis, Virginia.

Bailey represents Air Combat Command, the United States Air Force, and the Department of Defense at more than 20 air shows annually. Her mission is to ensure the aircrew has a quality survival and safety equipment to perform a demonstration so that millions of spectators are able to see the F-22's air superiority.

Bailey enlisted in the Air Force in November 2016. She is a native of Ontonagon, Michigan and

She is a native of Leavenworth, Kansas and graduated two years early from Pennsylvania online High School in 2014. In her free time, Bailey enjoys lifting, traveling and spending time with her two Italian Greyhounds.
