Joint Base Langley-Eustis

Joint Base Langley-Eustis (JBLE) consists of more than 20,000 Air Force, Army & civilian personnel serving in more than 60 organizations. JBLE provides both mission ready Airmen & Soldiers who deploy at a moments notice to support Combatant Commanders engaged in expeditionary, joint, & coalition operations worldwide.

The major components of JBLE provide combat airpower to America's warfighting commands; develop educate & train Airmen, Soldiers, civilians & leaders; provide installation support, operate & maintain F-22 Raptor & T-38 Talon; operate & maintain the Air Force Distributed Common Ground System; transport & facilitate critical expeditionary mission assets; command, control & defend the Eastern region of the LandWarNet; also, plan & execute the surface delivery of equipment & supplies.

JBLE continually liaises with the surrounding community. The 17 counties, cities & towns in the Hampton Roads region, along with numerous private & public organizations, provide JBLE with an outstanding community network. Our community partners provide tremendous support in countless ways through awards & recognition programs on & off base, military appreciation events & scholarships. In turn, JBLE remains a strong partner within the area, with many of our Airmen, Soldiers, & civilians providing hundreds of volunteer hours to local organizations & becoming strong ambassadors within the community. Locally, JBLE accounts, directly & indirectly, for thousands of jobs in the Commonwealth of Virginia.

JBLE remains an economic engine & will continue to be good stewards as we strengthen & build our community relationships for our Airmen, Soldiers, civilians & Hampton Roads families.
