MEMORANDUM FOR ALL JBLE PERSONNEL AND RESIDENTS, REGARDLESS OF SERVICE COMPONENT

SUBJECT: COVID-19 Pandemic – Renewal of Restriction of Movement Order

1. Effective 27 April 2020, I am renewing my original Restriction of Movement Order, dated 27 March 2020, on Joint Base Langley-Eustis (JBLE). Novel Coronavirus 2019 (COVID-19) is an ongoing threat to our JBLE community. After consulting with my Public Health Emergency Officer (PHEO), and in accordance with my authorities under Department of Defense (DoD) Instruction 6200.03 and Air Force Instruction 10-2519, the following conditions remain in effect as necessary actions:

a. **JBLE Residents.** I am ordering all JBLE housing residents, to include on-base housing, dormitory or barrack residents, and off-base Bethel Manor family housing residents, to cease public or private in-person gatherings that include those who do not live in your residence. This action ceases all non-mission essential gatherings outside the familial home, dormitory, or barrack residence. You are allowed to engage in a gathering with those, and only those, you reside within your familial home, dormitory, or barrack residence. You are not allowed to engage in a gathering with a friend or neighbor outside the familial home, dormitory, or barrack, except as missions or emergencies necessitate.

b. In addition, I am ordering JBLE housing residents, to include on-base JBLE Housing, dormitory or barrack residents, and off-base Bethel Manor family housing residents, to stay home or at their place of residence, except as mission dictates or as personal necessities, such as employment, food, exercise, prescriptions, or health care, require. If you need to leave your home, you are required to adhere to all applicable guidance issued by state, local, and DoD authorities as well as JBLE Public Health Emergency Orders.

c. **JBLE Active Duty Personnel residing Off-Base.** The Commonwealth of Virginia has prohibited all public and private in-person gatherings of ten or more persons and has ordered all individuals in Virginia to remain at their place of residence, unless an exception applies. Active Duty personnel residing off-base are required to adhere to guidelines issued by state, local, and DoD authorities.

d. **JBLE Non-Active Duty Personnel residing Off-Base.** The Commonwealth of Virginia has prohibited all public and private in-person gatherings of ten or more persons and has ordered all individuals in Virginia to remain at their place of residence, unless an exception applies. Civilian employees, contractors, family members, and military dependents residing off-base are recommended to adhere to guidelines issued by state, local, and DoD authorities.

2. Unless terminated or renewed by me sooner, this renewal order will automatically terminate 30 days from the effective date. If you feel you need relief from this order at any time, requests for relief will be in writing and delivered to the PHEO, who will provide the information to me for final determination.
3. This renewal does not limit local commanders from issuing more restrictive measures to promote good order and discipline, mission accomplishment, and/or to promote the overall health and safety of their units.
4. Any person who refuses to obey or otherwise violates this renewal during this declared public health emergency may be detained. Those not subject to military law may be detained until civil authorities can respond. Violators of procedures, protocols, provisions, and/or orders issued in conjunction with this public health emergency may be charged with a crime under the Uniform Code of Military Justice and/or under, United States Code, Title 42, Section 271. Pursuant to 42 U.S.C. § 271, violators are subject to a fine up to \$1,000 or imprisonment for not more than one year, or both.
5. This renewal is necessary to limit the spread of COVID-19. Unnecessary person-to-person contact increases the risk of transmission and community spread. By limiting our movements, we can reduce person-to-person contact and “flatten the curve,” protecting our service members and families and safeguarding national security.

CLINTON A. ROSS, Colonel, USAF
Commander
