**MEMORANDUM FOR ALL JBLE PERSONNEL AND RESIDENTS, REGARDLESS OF
SERVICE COMPONENT**

**SUBJECT: COVID-19 Pandemic – Renewal of Restriction of Movement and Restriction of Base
Access Orders**

1. On 15 May 2020, I issued an amendment to the JBLE Restriction of Movement (ROM) and Restriction of Base Access Orders. These restrictions and guidance were implemented for all JBLE personnel IAW my Public Health Emergency (PHE) authorities to help slow and stop the spread of COVID-19. While we have been successful in slowing the spread of the virus, it is still present, requiring the JBLE community to take a measured approach as we ease towards the new normal.

2. In coordination with my public health experts and leadership teams, effective 14 June 2020, I am renewing the Restriction of Movement and Restriction of Base Access Orders with the following authorizations:

a. Restriction of Movement.

i. **On-base Gatherings.** All public or private in-person gatherings are limited to ten or fewer persons, as long as they comply with required social distancing protocols. This includes, but is not limited to, all non-mission essential gatherings held on JBLE, to include changes of command, retirements, unit social activities, and other ceremonial or morale-focused events.

ii. **Off-base Gatherings.** The Commonwealth of Virginia has prohibited all public and private in-person gatherings of more than fifty persons. All Active Duty personnel must comply with state, local, and DoD directives while off-base. Civilian employees, contractors, family members, and military dependents residing off-base are recommended to adhere to guidelines issued by state, local, and DoD authorities.

b. **Restriction of Base Access.** DoD ID Card holders will have access to the installation on Mondays, Tuesdays, and Fridays. Mission critical personnel will have daily access to the installation, along with the categories of personnel articulated in my previous JBLE PHE orders.

3. This renewal extends my previous 15 May 2020 Amendment to ROM and Restriction of Base Access Orders, and implements changes as outlined above in paragraph 2. To the extent this directive is inconsistent with other JBLE PHE orders, the information herein prevails. All JBLE PHE orders remain in effect. This renewal does not limit local commanders from issuing more restrictive measures to promote good order and discipline, mission accomplishment, and/or to promote the overall health and safety of their units.

4. Unless terminated or renewed by me sooner, this renewal automatically will terminate 30 days from the effective date.

5. I implore you to remain vigilant and cautious. By following applicable public health guidance such as social distancing, proper hygiene, and use of face coverings, together we can limit the spread of COVID-19.

CLINTON A. ROSS, Colonel, USAF
Commander
